Paul, Gary, 8/11/70

Information from Bud, his source unknown:

The Valle car was registered in the name of

Mrs. Johanna Nemeth
152 Regent Place
West Hempstead, L.I.

I do not know what, if anything, this means or can mean. I'd expected another owner, Herman.

If and as I can, I'll try and see if I can learn more. If either of you does, of course, I'd like to know.
